Fall 2018**

Learning Log Format

- 1. Set up your paper as if you're taking notes about this class.**
- 2. Use the following prompts (3 required + 2 of your choice) to guide your notes.**
- 3. As in other notes, do not worry about complete sentences, punctuation, or spelling. Bullet points are ok.**
- 4. Make sure you include responses to 5 prompts below, then "Cornell" those as you would any other notes.**
- 5. Don't forget a Summary!**

Learning Log Recall Prompts:

These first three questions must be answered.

What did I learn?

How did I learn it?

Why does it matter?

Choose two of the following to complete your 5-point review of class.

What was your favorite part of class?

How can you improve upon something you learned?

What part of class makes you feel most accomplished ?

What do you still need help on?

If you had to share one thing about this lesson, what would it be?
